

Zhejiang University-University of Edinburgh Institute Handbook for Boards of Examiners for Taught Courses and Programmes

Purpose of Policy

The policy provides information regarding the role and operation of Boards of Examiners in order to enable them to carry out their responsibilities effectively.

Overview

Boards of Examiners take an overview of each student's academic performance on a relevant course or programme, and make a final academic judgement on the appropriate outcome. This Handbook provides information regarding the remit and operation of Boards of Examiners, and outlines the responsibilities of key roles in supporting Boards of Examiners. The Handbook meets the same expectations as the University of Edinburgh Handbook for Boards of Examiners for Taught Courses and Programme, and is derived from that document. The University of Edinburgh Handbook is approved annually by the University of Edinburgh Curriculum and Student Progression Committee. Link to University of Edinburgh Handbook: http://www.ed.ac.uk/files/atoms/files/boe_handbook.pdf

The ZJU-UoE Institute Handbook is updated annually in line with the equivalent University of Edinburgh document. Any required changes are approved by the ZJU-UoE Institute Board of Studies. In cases where there is a deviation from the University of Edinburgh regulations, approval must be sought from the University of Edinburgh Curriculum and Student Progression Committee.

Scope: Mandatory Policy. The appendices are guidance (not mandatory).

This policy applies to Boards of Examiners, and those who support the work of Boards of Examiners. Tasks associated with the administrative processes of the Board may be delegated to appropriate academic or administrative staff, but responsibility remains with the Convener of the Board of Examiners.

Handbook for Boards of Examiners for taught courses and programmes

1 Introduction

- 1.1 This Handbook sets out the main responsibilities of Boards of Examiners and key role-holders involved in the operation of the Board, and provides information on the principles and remit of the Board of Examiners and guidance to help run effective Boards.
- 1.2 The Handbook should be read in conjunction with the ZJU-UoE Institute Taught Assessment Regulations, ZJU-UoE Institute Special Circumstances Policy, ZJU-UoE Institute Policy on External Examiners for Taught Programmes and other relevant policies and regulations. The main part of this Handbook is mandatory policy and the information provided in the Handbook Appendices is guidance and not mandatory.
- 1.3 For sources of support and information in relation to this Handbook, see Section 11.

2 Why we have Boards of Examiners

- 2.1 A Board of Examiners is a body with membership approved by the relevant University of Edinburgh College whose role it is to take an overview of each student's academic performance on a course or programme, and to make a final academic judgement on the appropriate outcome. Boards of Examiners are a key part of enabling the University to judge that students have achieved their intended learning outcomes in a consistent, fair and reliable way, using agreed evidence and processes to reach their decisions.

3 Board of Examiners' Principles and Remit

Principles for Boards of Examiners

- 3.1 The following principles underpin the operation of Boards of Examiners:

Principle 1 The role of the Board of Examiners is to take an overview of each student's academic performance on a relevant course or programme based primarily on assessment results, and to make a final academic judgement on the appropriate outcome.

Principle 2 Boards of Examiners ensure that all students are treated with consistency and fairness, that the assessment process runs smoothly and correctly, that appropriate standards are set and maintained, and that the External Examiner plays an appropriate role.

Principle 3 The effective administration of assessment underpins the University's quality of learning and teaching.

Principle 4 Boards of Examiners are conducted in accordance with University of Edinburgh procedures using ZJU-UoE Institute systems.

Zhejiang University-University of Edinburgh Institute Handbook for Boards of Examiners for Taught Courses and Programmes

Principle 5 Working within the scope of the overarching remit (see 3.2), and agreed models and accompanying guidance, the ZJU-UoE Institute structures Boards of Examiners according to its own requirements.

Principle 6 Members of Boards of Examiners and those working in support of Boards of Examiners receive appropriate support for and recognition of their role.

Board of Examiners' Remit

3.2 The overarching remit of Boards of Examiners for Taught Programmes and Courses is:

- to oversee and conduct the entire assessment process according to the ZJU-UoE Institute Taught Assessment Regulations and other relevant regulations and policies, along with the principles approved by the appropriate Board of Studies;
- to ensure that suitably detailed marking criteria are prepared for every item of assessment under the authority of the Board;
- to take responsibility for determining outcomes for students across all elements of courses or programmes for which the Board has responsibility;
- to manage the outcomes of special circumstances committees appropriately;
- to produce a set of outcomes appropriate to the assessments and to record and transmit these as required by regulations and procedures in force at the time;
- to minute its decisions in accordance with current regulation and guidance and ensure that archives of its decisions/minutes and those of any of its subsidiaries are maintained for the appropriate retention period.

4 Who does what?

Authority

4.1 This Handbook, along with the ZJU-UoE Institute Taught Assessment Regulations and other ZJU-UoE Institute regulations and policies set out the authority and responsibility of key office-holders in relation to Boards of Examiners. The ZJU-UoE Institute may delegate tasks associated with the administrative processes of the Board to appropriate academic or administrative staff, but responsibility for the delivery of those tasks rests with the formal office-holders. Whenever a specific role is delegated, this must be agreed with the person who has responsibility for the role, and a record kept of the delegations that are in place.

Appointment of key office-holders

4.2 The Convener of the Board of Examiners, along with Internal and External Examiners are appointed to the Board of Examiners by the relevant College on the basis of nominations from the Dean of Biomedical Sciences in consultation with the Dean of Institute. . The ZJU-UoE Institute Taught Assessment Regulations and the ZJU-UoE Institute External Examiners for Taught Programmes Policy provide further information regarding the process and timescales for appointment.

4.3 The Dean of Biomedical Sciences, in consultation with the Dean of Institute, is responsible for appointing the Convener and members of the Special Circumstances Committee.

Zhejiang University-University of Edinburgh Institute Handbook for Boards of Examiners for Taught Courses and Programmes

- 4.4 The Dean of Biomedical Sciences, in consultation with the Dean of Institute, is responsible for appointing a Regulations Expert for each Board of Examiners. The Regulations Expert does not need to be a member of the Board of Examiners. The ZJU-UoE Institute may appoint a Regulations Expert to operate across the School or across a number of Boards of Examiners. The role may be combined with another role in the Board.
- 4.5 Schools are responsible for appointing a Secretary for each of their Boards of Examiners.

The Board of Examiners

- 4.6 A Board of Examiners is composed of the Internal and External Examiners for the courses and/or programmes covered by the Board. The Convener can also invite to attend Board meetings those markers or others involved in teaching or assessment who are not Internal Examiners, but they are not involved in decision making at the Board.
- 4.7 The Board of Examiners is chaired by a Convener and supported by a Secretary of the Board and a Regulations Expert.

Quorum of the Board of Examiners

- 4.8 In order for a meeting of a Board of Examiners to be quorate, at least half the Internal Examiners (and no fewer than two) must be present, and at least one External Examiner must participate.

- Considering cases of extenuating circumstances which prevent a student from sitting a scheduled examination.

- 4.12 Ensuring the appropriate conduct of marking and moderation processes prior to the Board:
- Ensuring the quality and standards of marking of members of the Board, as well as those markers who are not members;
 - With the Dean of Institute, and following the ZJU-UoE Institute Taught Assessment Regulations, advising on whether there is a potential conflict of interest for a member of staff, internal examiner, External Examiner, or marker, which means they should not be involved in a student's assessment;
 - Coordinating arrangements for marking assessed work and ensuring that all Internal and External Examiners and markers are aware of their responsibilities and of the relevant common marking scheme;

Zhejiang University-University of Edinburgh Institute Handbook for Boards of Examiners for Taught Courses and Programmes

- confirming the final course results to be held by Zhejiang University and by the University of Edinburgh, using the appropriate marking schemes of each university;
- ensuring as part of the formal proceedings of the Board that External Examiners are invited to comment on the structure, content, teaching and examinations of the course(s) and/or programme(s) under scrutiny;
- guiding the Board of Examiners to reach a collective decision (decisions do not need to be unanimous).

4.14 Ensuring appropriate follow-up after the meeting of the Board:

- ensuring that results and decisions are recorded in the student record systems of Zhejiang University and the University of Edinburgh and communicated to students within the deadlines published by the ZJU-UoE Institute, and that an accurate minute of the Board of Examiners meeting is produced;
- completing any follow-up activity, concessions, or Convener's action business stemming from the Board meeting, ensuring that this is minuted and recorded appropriately;
- in the event of an academic appeal, providing the minutes of the Board of Examiners' meeting and commenting on the appellant's case;
- in the event that new information comes to light about a decision of the Board, deciding whether to reconvene the Board.

- 4.15 The Convener of the Special Circumstances Committee (SCC) has responsibility for ensuring that the Special Circumstances Committee operates within ZJU-UoE Institute regulations and the ZJU-UoE Institute Special Circumstances Policy.

Regulations Expert

- 4.16 The role of the Regulations Expert is to act as an immediate source of knowledge and advice to the Board of Examiners about the relevant ZJU-UoE Institute regulations and guidance and their academic application.
- 4.17 The Regulations Expert will attend or be available to all meetings of the Board of Examiners and ensures that the relevant regulations and guidance are available for reference at all meetings.
- 4.18 Where the Regulations Expert gives advice outwith the context of a Board meeting, for example in the course of Special Circumstances Committees and academic misconduct investigations, they should consult as necessary with the Convener of the Board of Examiners.

Course Organiser

- 4.19 The Course Organiser carries out the detailed administration of the course on behalf of the Dean of Institute, including various administrative aspects of arrangements for assessment. Information in 4.20 to 4.24 sets out the Course Organiser's main responsibilities in relation to Boards of Examiners.
- 4.20 Preparation for assessment:

Zhejiang University-University of Edinburgh Institute Handbook for Boards of Examiners for Taught Courses and Programmes

- monitoring and checking the timely setting of examination and in-course assessment work.

4.21 Marking and moderation processes:

- co-ordinating arrangements for marking assessed work, ensuring that marks are collected and recorded (in most instances via the Institute Administrative Office) and that markers are aware of their responsibilities;
- in line with the ZJU-UoE Institute's policies and procedures on moderation, organising and supervising moderation at the course level, and taking action, in conjunction with the Convener of the Board of Examiners if necessary, where inconsistency or unsatisfactory practice is identified, and supervising the recording of the occurrence and the outcome of moderation decisions;

4.23 Contributing to Board of Examiners' meetings including:

- presenting the provisional results for their course/programme, noting any particular issues regarding the marking;
- keeping a note of all decisions made by the Board in relation to individual students, particularly where a change to any initial recommendation of pass/fail status is involved, and where recommendations of the Special Circumstances and academic misconduct processes have an impact on a student's final result (these notes are informal but may provide useful support for the minute-taker in preparation of the formal minute and record of the Board of Examiners' decisions).

4.24 Following-up after the meeting of the Board:

Zhejiang University-University of Edinburgh Institute Handbook for Boards of Examiners for Taught Courses and Programmes

Dean of Biomedical Sciences

- 4.25 The Dean of Biomedical Sciences will carry out the responsibilities below in consultation with the Dean of Institute. The main responsibilities in relation to Boards of Examiners of the Dean of Biomedical Sciences, for ZJU-UoE Institute programmes or courses are:
- Nominating the Convener of the Board of Examiners, along with the Internal and External Examiners (see Appointment of Key Office-Holders, above);
 - Appointing the Convener and members of the Special Circumstances Committee;
 - Appointing Regulations Experts (see Appointment of Key Office-Holders, above);

Dean of ZJU-UoE Institute

- 4.26 The main responsibilities in relation to Boards of Examiners of the Dean of Institute are:
- With the Convener of the Board of Examiners, advising on whether there is a potential conflict of interest for a marker, Examiner or member of staff, which means they should not be involved in a student's assessment;
 - Appointing markers.

Head of College or nominee (typically a Dean)

- 4.27 The main responsibilities in relation to Boards of Examiners of the Head of the College or nominee are:
- Appointing Internal and External Examiners on the basis of nominations from Heads of Schools;
 - Ensuring that all elements which contribute to the award of a degree from the University are represented by the appropriate number of External Examiners;
 - Advising the Convener of the Board of Examiners or Head of School on the interpretation and application of the relevant University Regulations and guidance regarding Boards of Examiners;
 - Considering, with the Convener of the Board of Examiners and Student Administration, cases of extenuating circumstances which prevent a student from sitting a scheduled examination, e.g. religious reasons, elite participation in sport;
 - Handling concession requests submitted by Boards of Examiners.

5 The principle of anonymity

- 5.1 Anonymity is an important principle for the operation of Boards of Examiners and assessment processes. The Taught Assessment Regulations outline the requirements for:
- Marking work anonymously when possible (the marker should not know the identity of the student);
 - Anonymising marks and grades during processing;
 - Retaining the anonymity of a student's work at the Board of Examiners, until the best interests of the student are no longer served by anonymity;
 - A final check of the un-anonymised marks and decisions;
 - Anonymity for examiners (the views of a particular examiner at a Board of Examiners should not be made known to a student);

Zhejiang University-University of Edinburgh Institute Handbook for Boards of Examiners for Taught Courses and Programmes

- Anonymity of results (there should be no public display in any media of any formative or summative assessment results from any course or programme).

6 Avoiding conflicts of interest

- 6.1 No member of Zhejiang University staff, University of Edinburgh staff, ZJU-UoE Institute staff, internal examiner, External Examiner, or marker shall be involved in any assessment or examination in which they have a personal interest, for example a current or previous personal, family or legal relationship with a student being assessed.
- 6.2 For advice regarding what to do in the event of a potential conflict of interest, see the ZJU-UoE Institute Taught Assessment Regulations.

7 Business to cover at meetings of Boards of Examiners

- 7.1 Appendix A provides a Template Board of Examiners Agenda / Minute, which sets out core items to cover at Board meetings. The ZJU-UoE Institute may wish to supplement these with additional items where appropriate.

8 Minutes for Boards of Examiners and Special Circumstances Committee meetings

Responsibility for minute-taking

- 8.1 Conveners of Boards of Examiners and Special Circumstances Committees are responsible for agreeing an accurate record for each meeting.
- 8.2 The ZJU-UoE Institute should decide who is responsible for taking the minutes of a Board of Examiners or Special Circumstances Committee meeting (most commonly this will be the Secretary to the Board of Examiners). Conveners of Boards of Examiners should ensure that the minute-taker is properly briefed for any specific issues that may arise in a meeting.

Minutes of Boards of Examiners meetings

- 8.3 Appendix A provides guidance regarding how to record meetings of Boards of Examiners. When recording the proceedings, follow these general points:
- do not attribute views to an identifiable individual member of the Board;
 - use an anonymised student number rather than name when referring to an individual student;
 - record the outcome of any vote taken during the meeting;
 - where relevant, note any guidance or regulations consulted or invoked.

Minutes of Special Circumstances Committees

- 8.4 The general points regarding recording Board of Examiners meetings (see 8.3) and many of the core elements covered in Appendix A (eg Date of Meeting, Attendance

Zhejiang University-University of Edinburgh Institute Handbook for Boards of Examiners for Taught Courses and Programmes

and Quorum, Scope of the Meeting) also apply to the minutes for Special Circumstances Committees.

- 8.5 The minutes of the Special Circumstances Committee (SCC) will also include:
- A list of the evidence received and considered by the Special Circumstances Committee in relation to each case;
 - The decision taken in relation to each case and the reasons for this decision, along with any recommendations for appropriate action to be taken by the Board of Examiners in response to the circumstances.
- 8.6 The minutes of the Special Circumstances Committee are not circulated to the Board of Examiners. Instead, the Convener should provide a written report of its decisions and recommendations on these matters to the relevant Board of Examiners.

Minutes and Data Protection and Freedom of Information

- 8.7 If the ZJU-UoE Institute receives a request for information under UK Data Protection or Freedom of Information legislation, they must contact the Deanery of Biomedical Sciences for guidance.

Minutes and Student Academic Appeals and Complaints

- 8.12 The minutes or relevant extract from the minutes of Board of Examiners or Special Circumstances Committee meetings can be taken account in the course of student academic appeals, and may also be relevant to a student complaint. Material produced during an appeal or complaint may receive external scrutiny by the Scottish Public Services Ombudsman if a student is not satisfied with the outcome of the University procedures and takes their case to the SPSO.
- 8.13 Where a student requests minutes to assist them with an appeal or complaint, Schools should only provide extracts relevant to the Board or SCC's decisions on the individual's case, along with extracts containing any general remarks which might be held by the student to be relevant to their appeal (e.g. on the involvement of supervisors in the assessment process). When supplying minutes to students as part of an appeal or complaints process, the ZJU-UoE Institute should follow the principles set out above in relation to Data Protection and Freedom of Information.

Interaction between minutes and communications to students

- 8.14 Where the ZJU-UoE Institute communicates with individual students following the publication of course or programme results (often relating to failure to progress), they should ensure that the explanation that they provide the student for the results should reflect and be limited to that recorded in the minutes.

9 Retention of Minutes and Papers of Boards of Examiners and Special Circumstances Committees

Zhejiang University-University of Edinburgh Institute Handbook for Boards of Examiners for Taught Courses and Programmes

- 9.1 Minutes and Papers of Board of Examiners and Special Circumstances meetings should be retained for 5 years after graduation, withdrawal or other permanent departure from University, or, in the case of lapsed students, 8 years after last contact with students. The ZJU-UoE Institute should follow the requirements of the University of Edinburgh retention schedule for student records:

www.ed.ac.uk/schools-departments/records-management-section/recordsmanagement/staff-guidance/retention-schedules/student-records

10 Key timelines and processes associated with Boards of Examiners

- 10.1 Appendix B provides an indicative timeline and a summary of key processes associated with Boards of Examiners.

11 Sources of support and information

- 11.1 ZJU-UoE Institute Boards of Examiner Conveners and Regulations Experts should contact the Deanery of Biomedical Sciences, in the first instance, for advice on the interpretation and application of this Handbook and related ZJU-UoE Institute regulations and policies.
