Yuehai Ke Dean

非常荣幸，我有一段人生经历与ZJE的莘莘学子们在一起。学院扎根中华大地，同时也以海纳百川的博大胸怀，吸引接纳来自世界各地的优秀人才，创造出兼容并蓄独特气质。

我们在处于百年未有之大变局的时代，未来已来，当前生命健康领域已经成为科技创新大国竞争的主战场，医学正从以生命科学为主要的支撑学科，向与人文、工科、信息等多学科交叉融合创新，ZJE致力于为不可预期未来培养人格素质，为可预期的未来积蓄学科力量，锻造创新本领。ZJE也是一个宁静致远、淡泊明志的理想学院。“宁静而致远，淡泊以明志”是中国传统文化中修身养性的最高境界，只有淡泊宁静，才能洞察凡尘，只有清心内敛，才能心存高远，星辰大海。在ZJE，我们将为大家提供一个静心、安心、舒心的学习环境，在这里，你们将始终与浙大人“求是、创新”、与浙大医学人“仁心仁术”的精神同在。来浙里，在浙里，从浙里，我们与民族的伟大复兴同频共振，与人类的健康未来相向而行。

Being with the students of ZJE has been an honorable life experience. The college rooted in China, accepting worldwide talents with its broad embracing mind and created an inclusive and unique temperament.

We are currently in an era full of changes and opportunities. The modern healthcare and life science sectors have become the global battlefields of many innovation superpowers, leading it to branch towards humanities, engineering and informatics, while keeping life science as the main supporting base for new developments. ZJE is dedicated to cultivating unforeseen personalities and characteristics, and to preparing these qualities as the highest realm of self-cultivation that will thrive in the foreseeable future. ZJE is an ideal institute with peace, farsightedness, selflessness and ambition. In the Chinese traditions, these qualities are amongst the highest cultivations of minds and bodies. Only people who can achieve inner peace can be aware of their surroundings. And only people pure hearted and devoted to their subject can see beyond realities and pursue their dreams. In ZJE, we will provide a peaceful, safe and comfortable learning environment for you to relax yourselves both mentally and physically. Moreover in ZJE, you can always be with and benefit from the innovative, truthful and merciful spirits of the ZJUers. Right here in ZJE, join us as we would revive greatness of our nations, and pave the way for a healthier future for humanity.
